Электродвигатель

AAA Батарейная коробка

Режим питания

Интерфейс PF двигателя подключается к интерфейсу питания PF в аккумуляторной коробке AAA, вызывая выключатель питания батарейной коробки AAA, а индикатор батарейной коробки AAA светится зеленым светом, чтобы доказать, что питание нормальное.

Примечание: Разверните 2 отвертки внизу отверткой и откройте коробку батарей, чтобы установить 6 батареек AAA.
